Education

Vellore Institute Technology

Aug 2023 – May 2027

- GPA: 8.83/10.0

Internship Experience

amasQIS.ai

May 2025 – Oct 2025

Full Stack Intern

- Collaborated with cross-functional teams to support execution of product and operational initiatives.
- Contributed to scalable solutions while ensuring smooth coordination, timely delivery, and process efficiency.
- Worked in fast-paced team environments, strengthening communication, ownership, and execution skills.
- Participated in understanding requirements, managing workflows, and improving overall user experience.
- Gained exposure to real-world business operations, product execution, and collaborative problem-solving.

Projects

Customer Segmentation & Business Analytics Dashboard

- Built an end-to-end business analytics workflow using Python, SQL, Excel, and Power BI.
- Cleaned and transformed transactional datasets using Pandas and NumPy for reporting and analysis.
- Performed exploratory data analysis to identify customer behavior, purchase trends, and operational insights.
- Wrote SQL queries to analyze customer segments, retention patterns, and revenue-related metrics.
- Developed interactive dashboards visualizing KPIs, customer trends, and business performance indicators.
- Generated actionable recommendations to improve operational and business decision-making.

UniVibe

- Built a peer-to-peer communication platform focused on user engagement and interaction quality.
- Implemented matching logic and preferences to improve user experience and retention.
- Managed backend systems ensuring smooth real-time communication and scalability.
- Focused on user-centric product design and performance.

Social

- Built a mobile platform for user-generated content and community interaction.
- Designed real-time updates and personalized profiles for better engagement.
- Ensured smooth UI experience with efficient data flow.
- Used Firebase for secure authentication and scalable backend.

Leadership and Extracurricular

National Service Scheme (NSS), VIT Bhopal

- Participated in planning and execution of community outreach and awareness initiatives.
- Coordinated with teams during events and activities, improving communication and organizational skills.
- Developed leadership, collaboration, and problem-solving abilities through participation in social initiatives.
